ABOUT THE REVIVA SPRINTER:

- All Reviva engines are assembled in the USA.
- Reviva replaces 100% of pistons, rings, bearings, bushings, gaskets, lifters and seals.
- Reviva matched OEM requirements for piston type depending upon HP and application.
- Core plugs are 100% stainless steel to avoid corrosion.
- Blocks, heads and crankshafts are 100% magnaflux tested to avoid cracked components.
- Connecting rods have new bushings installed and both large and small end are re-machined to OEM specifications.
- Crankshaft is checked for size, reground, if necessary, and micro-polished to OEM specifications.

WARRANTY COVERAGE:

Long Block configurations: 1 year/unlimited mileage.

Some restrictions apply; see limited warranty details or call for more information.
