PAYMENT PLANS IN 60 MINUTES

If you need financing for your engine and installation, Northland Credit can customize a finance package to meet your needs. For over 50-years Northland Credit Corporation has been a leading commercial equipment lender in North America. Northland Credit offers financing options that can include the engine and install expenses.

HERE'S HOW THE PROGRAM WORKS:

Contact Northland Credit using the below links and contact information.

Complete the Northland Credit application and begin discussions about your specific and unique needs.

Be prepared to provide Northland Credit with certain documents that include the engine purchase quote and install expenses.

Financing is between you, the buyer, and Northland Credit. All communication and documents are confidential between the two parties.

Within 60-minutes Northland Credit will provide a financing program and next steps to the end-buyer.

When approved, Northland Credit will directly fund the service provider and engine seller, to the agreed terms of the financing program.

Please click on the link below to get started with your application. If you have questions, please call the Northland Credit Corporation telephone number below or click on the email link to leave them a message.
